Come see our new, lighted synthetic turf fields!

Thank you to the Greece community members who made these improvements possible by supporting the district's 2018 Reimagine Greece capital project!

Additional athletic improvements vary by school location but include drainage improvements, new sound systems, new ticket booths, concession stand upgrades, restroom additions, new scoreboards, and paved pathways for emergency access.

ODYSSEY'S DEDICATION CEREMONY WILL TAKE PLACE IN SPRING 2022.
